In order to book an appointment at the consular section please visit www.lusaka.diplo.de/appointment

We also recommend you to have a look at our *Visa Navigator* which gives further information and helps you to apply for the visa that suits your travel purpose: <https://visa.diplo.de/en/#/vib>

Currently Schengen Visas are valid for the following countries (unless otherwise stated in the visa):

Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden and Switzerland.

A Schengen Visa entitles the holder to travel freely in all of these countries **up to 90 days in a 180 days' time frame**, depending on how many days are stated in the visa. Please note that **despite having a valid passport and visa** you may be refused entry at the border if you are not in a position to provide proof of the purpose and conditions of your intended stay, financial means, health insurance etc. or otherwise do not fulfil the entry requirements.

The German Embassy in Lusaka is **in charge** for applicants:

- 1) who reside in Zambia or Malawi and
- 2) whose main destination is either Germany, Austria, Hungary or Slovenia.
- 3) In case a main destination cannot be determined, you may also apply if your first point of entry into the Schengen area is either in Germany, Austria, Hungary or Slovenia.

Please note:

In order to avoid time consuming requests for additional information or documentation, please read this information leaflet carefully.

If you have any enquiries or feel that your case may not be covered, please contact the German Embassy **at least 4 weeks prior to** your travel dates for clarification. The visa application form can be picked up at the German Embassy in advance or downloaded from our website.

You may also fill in your application form online via this link <https://videx.diplo.de>. Please note that this is not an online application! It is not possible for you to submit your application online. It can only be submitted to the competent mission abroad or to an external service provider commissioned by the mission abroad.

- Applicants will have their **fingerprints** taken (according to the Visa Code).
- All documents have to be submitted **as originals**.

Airport Transit:

The vast majority of foreign travellers benefit from the "transit privilege" - if you do not leave the international airport area during a stopover at a German airport, and if your final destination is not in a Schengen country, most nationalities, including Zambian nationals, do not need a transit visa. For more information and a list of nationalities which do **not** have the transit privilege, please visit:
